## BRACELET SIZE GUIDE

Standard size fits a 6" wrist measurement, give or take 1/4" comfortably.

Make sure this page is printed on 8.5x11" letter size paper and scaled to 100%. To check if your printed page is accurate, position a credit card under the line below. The print scale is correct if the credit card and length of the line match.

## HOW TO MEASURE YOUR WRIST

1. Cut along the outline of the bracelet sizer. Cut a small slit on the dotted line.
2. Wrap the sizer around the thinnest part of your wrist. Make sure the numbers are facing out.
3. Slide the pointed end through the slit and tighten to a SNUG fit to determine your exact wrist measurement.
4. **Order your exact wrist measurement.** Your bracelet will be made between 3/4" to 1" larger than your wrist measurement, allowing for the right amount of wiggle room depending on the bead size.
5. Between sizes? Size up or size down depending on if you prefer a more fitted or looser fit. For Name Game Bracelets we suggest sizing down 1/4" if you prefer a snugger fit.
6. All bracelets ordered in a custom size are final sale and may take up to 10 business days to ship.
